FREMONT'S 134TH OLD HOME DAY SERVICE

Fremont's 134th "Old Home Day Service", sponsored by the Fremont Universalist Society, will be held on Sunday August 19, 2012 at 11:00 am in the Old Meeting House at 464 Main Street. People of all denominations are welcome and encouraged to attend. Thomas Repczynski of Fremont will be the speaker and Louis Santucci of Epping, NH will serve as the organist. There will also be special music by the Grace Notes acappella singing group. There will be a Social Hour with refreshments at the Ellis School following the service.

In 1873 Miss Sarah A. Chase left a sum of money, the interest from the fund to be used for hosting a Universalist church service once a year. In 1878 this fund matured and on April 11th of that year a group of citizens met in the Old Meeting House and organized The Fremont Universalist Society for the purpose of carrying out the provisions of Miss Chase's will. Because of Miss Chase's will, the organization is identified as the Fremont Universalist Society. However, it is such in name only and the yearly service has evolved into an all-denominational event.

The Old Home Day services were held in the 1856 Democratic Hall for many years and then, for a time, in the 1865 Union Church. That church was destroyed in the great fire of 1921. Since that time, the services have been held in this "Old 1800 Meeting House".

The Universalist Society is now the oldest existing organization in Fremont. The Universalist Society/Old Home Day Committee membership has diminished over the years and new members are needed to help perpetuate this unique piece of Fremont history for many years to come. The members meet once a year in the spring to hear the treasurer's report and to organize the "Old Home Day Service" at the Old Meeting House which is always held on the third Sunday in August. Please consider joining the Society which consists of pleasant & welcoming members.

For more information please contact Universalist Society President Kim Andrew at 734-2555.

UNLICENSED DOGS

Civil Forfeiture Fines of \$25.00 per dog will be issued by the Animal Control Officer in July for all unlicensed dogs.

FREMONT HISTORIC MUSEUM OPENS FOR 2012 SEASON

The Fremont Historical Museum located at 8 Beede Road will be open on the 2nd Saturday of each month between May and October between 10:00 am and 1:00 pm. Admission is FREE.

Fremont was originally a part of Exeter between 1638 and 1742. When Brentwood separated from Exeter, we became part of Brentwood until June 22, 1764 when POPLIN (now Fremont) was separated from Brentwood and incorporated as its own town. The name Poplin was changed to Fremont on July 8, 1854 in honor of General John C. Fremont - the Great American West Pathfinder/Explorer during the 1840's and 1850's.

The first settlers in Fremont came as early as the 1720's. Black Rocks Mill in Black Rocks Village (now Fremont Village) was established in 1726/27 and used until the early 1920's. Be sure to visit the Museum and learn more about the many mills, stores, businesses, prominent people and families, riots, fires, celebrations, tragedies, weather disasters, etc. that have all made Fremont such a historic and colorful town. For more information please contact FHS Secretary Tammi Bertolami at 895 3745 or FHS President Matthew Thomas at 895 4032.

MOSQUITO CONTROL

The Town's Special Permit for Mosquito Control has arrived from the NH Division of Pesticide Control. Control of larval mosquitoes in stagnant bodies of water began on May 17, 2012. The Town is working with Municipal Pest Management Services Inc (MPMS Inc) again in 2012.

The primary method of control will be a bacterium (BTI) that is a naturally occurring parasite of mosquito larvae. Areas requiring control will be emergent marshes, cattail marshes, red maple swamps, woodland pools, roadside ditches, street and parking lot catch basins, marshes, flooded fields and stormwater basins.

Special emphasis will be placed upon the control of mosquito species that are known vectors of West Nile Virus and Eastern Equine Encephalitis.

Please contact Entomologist Michael Morrison of MPMS Inc, with any questions regarding this matter at 603 231 1271.

ROADS & THE RIGHT-OF-WAY

Obstructions in the Town's right-of-way are not permitted. Plantings, mulch, trees, rocks, and decorative pavers ARE NOT PERMITTED. These structures of any size obstruct drainage from the roadway and cause other road problems. The high amounts of winter snow will cause added drainage and runoff issues this spring. Please help keep the ROW area clear.

RSA 236:15 states that any building, structure or fence within or over any highway is a public nuisance. Please do not place any such items in the right-of-way as they are subject to being removed by the Highway Department. In general, the Town right of way is 13 feet on either edge of the paved surface. If you have any questions, please contact Road Agent Mark Pitkin at 300 7429.

Please also remember that a permit is required prior to paving of any driveway on a Town road. Forms and additional information are available on the Town's Website at www.Fremont.nh.gov.

WHAT DO YOU THINK ABOUT YOUR TOWN?

The Fremont Planning Board is conducting a town-wide community survey and we want you input! This survey will help guide the Vision chapter of the Town's Master Plan. The series of questions is aimed to evaluate the community's preferences and desires.

What do you like about Fremont?

What needs improvement?

Where should the Town be heading?

This **web-based** survey takes only 10-20 minutes and the link can be found on home page of the Town's website:

www.fremont.nh.gov

(under 'News and Notices' on the upper right-hand side)

The survey will **end on July 31, 2012**. Please stop by before then!

Paper copies will also be made available at the Library and Town Hall
